Dark green, extra-tender, non bitter, spicy flavor. Frost hardy, easy to grow. Lends a rich, unmistakable taste to salads. 12-18”.

Chard Rainbow

A multi-color Swiss Chard. Includes a mix of red, pink, white, yellow, orange and striped colors. Nutritious and delicious.

Collards Champion

Slow bolting Vates selection, dark green, broad wavy, tender leaves.

Cress Belle Isle

Dark green, glossy leaves, upright habit. Best in early spring, late fall and into winter. Rich source of vitamin A, C, calcium, and iron.

Endive Tres Frisee

Closely related to chicory. Frilly with finely cut leaves. Adds beauty, body and flavor to salads.

Escarole Batavian Broadleaf

Large, slightly-twisted lettuce-like leaves that form round 12-16” tightly packed heads with well blanched creamy-white deep hearts.

Kale Dinosaur

Heirloom! Gigantic leaves add great color, texture and flavor to salads. Grows well in heat and is extremely winter-hardy.

Kale Redbor

A completely magenta Kale! Mild, crisp, finely curled with colorful pizzazz. Vigorous and cold resistant.

Kale Russian Red

Heirloom! Red tinged leaves, purple stem, tender, mild, great flavor. Enjoy fresh, steamed or in stir-fry. Cold hardy.

Kale Russian White

A sister variety of Russian Red. Moderately dissected, frilled leaves with white and green mid-veins. Very sweet after touch of frost.

Kale True Siberian

Large, frilly blue-green leaves grow quickly. Slow to bolt in summer and withstands hard frosts. Outstanding in both flavor and texture.

Maché - Corn Salad

Glossy green leaves from a heavy bunch with a tender, flowery, minty flavor. 21 days baby, 40 days full size.

Mustard Red Giant

Thick, tender, brilliant maroon leaves with deep green midribs. Flavor is zesty and full. Slow to bolt.

Mustard Ruby Streaks

Green with cherry red veining. Delicate texture and mild, sweet mustard flavor.

GREENS - (Continued) Jumbo pack

Radicchio Palla Rossa

Dark green outer leaves surround a dense, round, wine-red head. Adds tangy flavor and gourmet flair to fresh salads.

Spinach Bloomsdale

Heirloom! Thick, deep green savoy-leafed plant. Holds up well in hot weather. Great flavor fresh or cooked.

Spinach Renegade

Smooth leaf type. Excellent for baby salad size. Consistent, high quality harvests for every season.

Spinach Giant Winter

Dark green, glossy, slightly savoyed leaves. Cold hardy. Recommended for fall crops or overwintering.

Spinach Winter Bloomsdale

Heirloom. Dark green savoyed leaves. Performs best in early spring and fall.

KOHLRABI - Jumbo pack

Kolibri

Best variety for late season harvest! Remains juicy, sweet and crunchy well into the fall. Purple skinned with white interior.

Korist

Very early variety, a flat globe shape with mild, crisp white flesh that holds while staying tasty and crunchy.

LETTUCE - Jumbo pack

Our lettuce selections are designed to meet the home gardener's needs throughout the entire season. Listed below are the various types of lettuce we grow. We grow up to three different varieties of each type so we always have the best performer for each season.

Butterhead

Available in both green and red. Small, round, loosely formed heads, soft, buttery-textured leaves. The flavor is sweet and succulent.

Crisphead/Iceberg

Available in both green and red. Large, round, tightly packed heads. Crisp, succulent and wilt-resistant.

Leaf

Available in both green and red. Leaves that branch from a single stalk in a loose bunch. Crisp and full flavored.

Romaine

Available in both green and red. Elongated head, crisp leaves and a crunchy midrib. The lettuce of choice for Caesar salads.

MELONS

Cantaloupe Hales Best - 9 cm & 3.5”
